## BHUBANESHWAR POWER PRIVATE LIMITED

### QUALITY, OCCUPATIONAL HEALTH, SAFETY & ENVIRONMENT POLICY

At BPPL, we are committed to

- ❖ Enhancing customer satisfaction by supplying electric power as per contracted terms
- ❖ Providing a safe and healthy working environment by adopting proactive measures and complying with all applicable rules & regulations
- ❖ Conserving natural resources, promoting efficient use of materials, addressing water risks, minimizing pollution & GHG emission, reducing biodiversity impact, recycling, waste management and adopting energy conservation measures
- ❖ Promoting a positive QHSE culture within the organization through effective communication, participation and consultation with employees and associate interested parties.
- ❖ Holistic development of team members through learning & development initiatives
- ❖ Engaging community and other stakeholders to appropriately address their concerns and collaborating with them to achieve sustainability
- ❖ Communicating this policy and the performance & progress thereof to all its stakeholders.
